National Parks, Nature Reserves, National Sites and Memorial Sites Proclamation (Protected Natural Assets), 5765-2005

By the power vested in me under section 33(a) to the National Parks, Nature Reserves, National Sites and Memorial Sites Law 5758-1998, I hereby proclaim as follows:

Definitions

1. In this proclamation –

"The coral reserve" – part of the territorial waters and the coast of the State of Israel in the Gulf of Eilat, which extends between the tongue of land situated approximately 400 meters south of Nahal Shlomo (latitude 880) and Israel and Egypt from the high tide water line on the coast and the border of the territorial waters in the east;

"The Mediterranean Sea reserves" – parts of the territorial waters and the coast of the State in the Mediterranean Sea which extend from Tantura (latitude 2248) to the estuary of Nahal Ma'arot (latitude 2306) and from Kfar Achziv (latitude 2726) to the border of the State of Israel and Lebanon, from the high tide water line on the coast in the east to a distance of 2,000 meters from the same line in the west.

Proclamation of protected natural assets

2. The natural assets specified in the Schedule are hereby proclaimed protected throughout the land unless noted otherwise alongside them.

Reservation to application

3. This proclamation shall not apply to a cultivated plant which is a protected natural asset among those enumerated in Part A (Flora) of the Schedule; for this matter, "cultivated plant" – a plant sown or planted by a person in an agricultural crop or an ornamental garden and which is not, in whole or in part, wild.

Repeal

4. The National Parks and Nature Reserves Proclamation (Protected Natural Assets) 1979 – repealed.

Commencement

5. This proclamation shall enter into force 30 days from the day of its publication.
